VOLUME XVIII.—NO. 10.

LOUISVILLE, SATURDAY, MARCH 9, 1907.

PRICE FIVE CENTS.

GREAT CLOUD

To be Lifted From Face of Ireland at Once and Forever.

Hope and Cheer Have Come to Unfortunate Evicted Tenants.

Death of Peer Who Drafted and Voted For Home Rule Bill.

DUBLIN'S

AURORA

leaders of the Irish party in Parliament, and laid their pitiful case before them. Redmond promised he fore them. Redmond promised he was born in Cannelton, Ind., but would do his best for them. Hardly removed to Louisville with his parhad Parliament settled down for ents when only a year old. He was work when Mr. Hayden, of the Irish a member of the Brotherhood of party, brought up the subject of the Locomotive Engineers, and a lifelong evicted tenants with a stirring appeal for them. Hugh Law and John Dillon followed with most eloquent de-nunciations of the treachery of the Government to the evicted tenants and to the Irish party in the cruel and expensive and mocking slowness

Secretary Birrell, in answer to their appeals, made as manly and states-manlike a speech as was ever heard in the House of Commons. He came directly to the point of the subject by saying he considered the Government pledged to these people. What-ever obstacle or obstacles were in the way of their speedy relief would be removed, and at once, and by May (he said April at first, but on second thought gave himself a little more promised every one of the John Redmond rose after Birrel and expressed his satisof Ireland are congratulating themselves and each other that a great

Lord Thring, who as counsel to Parliament drafted in outline the home rule bill of 1886, and was considered one of the most learned constitutional lawyers of that time, died the other day, aged eighty-nine. He was a devoted and enthusiastic advocate of the restoration to Ireland of her own Parliament, and was one of the forty-one Peers who voted in favor of the second reading of the home rule bill out the many pitfalls that care must in 1893, which was rejected by the other 419 members of that fullest be taken to avoid. that the establishment of an Irish Parliament, with an executive responsible to it, would be in accordance with constitutional practice, and a benefit to the empire as well as to Ireland. He cites Canada as a shining example, and remarks:

In 1798 Ireland rebelled. Protestant and Catholic were arrayed in arms The rebellion and discontented than the Ireland of Schneider was a universal favorite

TROUBLED

Are the French Over Pope's Reception of American Minister.

Assures Pius He Will Try to Reconcile Church and State.

Prelates Smile Over the Discomfiture of the French Envoy.

FOR MINISTER WHITE

M. Barrere, the French Ambassador "Archbishopric of Paris-Paris, Feb. deeply lamented not only in the cona brother and a sister, who live sizing the fact that Minister White comes from a republic in which the morning, with interment in St. Mich- Church is free as air and goes to a reael's cemetery. May her soul rest in public which has thrust her away. The returning Ambassador was given preference over all the prelates and diplomats at the Vatican, for whom the Pope usually reserves the mornng audiences.

Prelates smile and whisper that the conversation between the Sovereign Pontiff and the Ambassador concerned chiefly the Church's position in France. They assert that Minister According to the Associated Press White assured the Pope that wheneports the first week's debates in ever an opportunity presents itself he the new German Reichstag have will use all his influence as Ambaswidened the breach between the Gov- sador to reconcile the French Govern-

The American Minister has presented his letter of recall at Quirinal and bidden farewell to the King. But he has not yet reached However, the Vatican preserves its consistency. Pope Pius received an Ambassador accredited to the Quirinal as such. Indeed a Catholic so good as the Emperor of Austria or the Spain, when in Rome, must start for the Vatican, not from one of the Italian royal places but from his em-Italian royal palaces but from his embassy here.

It is common rumor that Ambassador Barrere officiously tried to persuade Minister White to cancel his engagement for the audience. Barrere vell knew the Vatican would make political capital out of the visit. Furious that he failed to prevent the audience, Barrere, with grave indiscretion, called together the leading French correspondents in Rome, os-tensibly to ask them not to wire the the audience to Paris. Really the French Ambassador wished to impress on the correspondents the vast importance of the audience as he regards it. Certainly it will not be M. Barrere's fault if the audience does not render disagreeable the American Ambassador's Paris; does not, indeed, become the subject of correspondence between
